### SCREENSAFE

ScreenSafe has been established to support and promote health and safety in the New Zealand screen sector. Its first focus is on what the new Health and Safety at Work Act means for everyone and your obligations from April 2016. As a priority, work has begun on updating existing health and safety guidelines to reflect the new legislation and this work will continue into 2016. An initiative of the Technician's Guild, ScreenSafe is an industry-wide collaborative effort with backing from the New Zealand Film Commission, NZ On Air and SPADA along with other guilds, industry bodies and regional film offices. ScreenSafe will be providing regular updates during 2016 as work progresses.

### TECHOS' GUILD

The New Zealand Film and Video Technicians' Guild Incorporated (NZF&VTG/The Techos' Guild) is a non-profit professional organisation representing the interests of film and video workers and allied crafts in the New Zealand screen production industry.
